

WENDEL CLARK

Throughout my 15 year NHL playing career, I was able to travel all around the world. That meant a lot of nights on the road, away from home, with a lot of different places to grab a bite to eat.

I found that the foods I enjoyed most were the ones that reminded me of where I come from, of Canada. They featured top quality ingredients, had homecooked flavours and always left me satisfied at the end of a long day.

It's those qualities that I've tried to bring to every meal served at Wendel Clark's Classic Grill & Bar, all served in a warm, welcoming and relaxed environment. I hope you enjoy.
